WARRANT FOR TOWN OF ACWORTH
MARCH 10, 2009

To the inhabitants of the Town of Acworth, NH in the County of Sullivan in said state, qualified to vote in Town affairs:

You are hereby notified to bring your votes for Town Officers, and any other questions, to the Town Hall on Tuesday, the tenth day of March next, between the hours of 10:00 of the clock in the morning until 9:00 of the clock in the evening to act upon the following:

ARTICLE ONE: To vote by non-partisan ballot for the following Town Officers:

Selectmen: 1 for 3 Year Term
Tax Collector: 1 for 1 Year Term
Treasurer: 1 for 1 Year Term
Library Trustee: 2 for 3 Year Terms
Budget Committee: 2 for 3 Year Terms
Trustee of Trust Funds: 1 for 3 Year Term
Cemetery Trustee: 1 for 3 Year Term
Planning Board: 2 for 3 Year Terms
Supervisor of the Checklist: 1 for 3 Year Term

ARTICLE TWO: To vote by non-partisan ballot to amend the Acworth Zoning Ordinance as follows:

Amend Article VI Crescent Lake District as follows:

1. In section A, Uses Permitted, delete the following: "(See Article VII for uses allowed in the portion of the Crescent Lake District overlaid by the Conservation Zone)".
2. In section B, Land Standards, amend item 2 to delete the following: "I.e., outside of the Conservation Zone".
3. In section B, Land Standards, replace items 4., 5. and 6. with a new item 4 and a new item 5:
 4. *Except where B 1, 2 and 3 above impose more stringent standards, the standards of the New Hampshire Comprehensive Shoreland Protection Act, RSA 483-B:9 Minimum Shoreland Protection Standards, shall govern the land standards of the Crescent Lake District including, but not limited to, natural woodland buffers, subsurface waste disposal systems and fertilizer usage.*
 5. *Local permits shall be required pursuant to Article XI, in addition to any State permit requirement under RSA 483-B. However, any variance or waiver granted by the Commissioner of Environmental Services under RSA 483-B:9, V(i) shall be deemed sufficient for purposes of this Ordinance, without granting of any parallel relief by the Acworth Board of Adjustment.*

Amend Article VII Conservation Zone as follows:

1. Replace section C, Boundaries of the Conservation Zone with the following:

C. Boundaries of the Conservation Zone:
Except for the shore lands of Crescent Lake, which shall be regulated pursuant to Article VI Crescent Lake District, the Conservation Zone shall be an overlay zone including all stream banks and shores of all natural ponds and lakes to a distance of one hundred feet from the maximum high water level.

ARTICLE THREE: To vote by non-partisan ballot to amend the Acworth Zoning Ordinance as follows:

Amend General Provisions as follows:

1. Add section I. as follows:

Any building or land development project must conform to all state and federal regulations including but not limited to the New Hampshire Comprehensive Shoreland Protection Act, RSA 483-B.

Furthermore, you are hereby notified that discussion and voting on the following articles will commence at 7:30 of the clock in the evening on March 10 next at the Town Hall:

ARTICLE FOUR: To see if the Town will accept the minutes of the Town Meeting of March 11, 2008.

ARTICLE FIVE: To see if the Town will empower the Selectmen to serve as pound keepers, measurers of wood and fence viewers.

ARTICLE SIX: To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE SEVEN: To see if the Town will vote, pursuant to section 195:25 of RSA 195 concerning Cooperative School Districts, to direct the School Board to conduct a study of the feasibility and suitability of the withdrawal of Acworth from the cooperative district. By citizen petition.

ARTICLE EIGHT: To see if the Town will vote to raise and appropriate the sum of \$72,000.00 for the purpose of Hazard Mitigation culvert replacement on Crane Brook Road with \$54,000 to come from the 2009 Hazard Mitigation Assistance Program if approved and the remaining \$18,000 to come from taxation. No expenditure shall be made if the grant application is denied.

ARTICLE NINE: To see if the Town will vote to authorize the Selectmen to enter into a six year lease agreement for \$113,924 for the purpose of leasing a loader for the Highway Department, and to raise the sum of \$20,900 (Twenty thousand, nine hundred dollars) for the first year's payment for that purpose. The lease agreement will contain an escape clause allowing the Town to terminate the lease with no further obligation if a future Town Meeting does not appropriate the annual lease payment. Majority vote required.

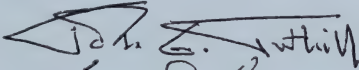

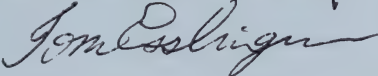

ARTICLE TEN: To see if the Town will vote to raise and appropriate the sum of \$25,000 (Twenty five thousand dollars) to be added to the Highway Equipment Capital Reserve Fund established 2000. This sum to come from fund balance (surplus) and no amount to be raised from taxation. Majority vote required. Selectmen recommend, Budget Committee does not recommend.

ARTICLE ELEVEN: To see if the Town will vote to raise and appropriate the Budget Committee recommended sum of \$992,093.00 for general municipal operations. The Selectmen recommend \$1,026,743.00. This article does not include Special or Individual articles addressed.

ARTICLE TWELVE: To see if the Town will vote to transfer \$7,500 from the Town Forest Maintenance Fund into the General Fund. Said funds were derived from sustainable timber harvests managed by the Conservation Commission in accordance with the long-term Town Forest Management Plan. Submitted by the Conservation Commission.

ARTICLE THIRTEEN: To transact any other business that may legally be brought before this Town Meeting.

Given under our hands and the seal of the Town of Acworth this 16th day of February, 2009. A True Copy of Warrant Attest: Board of Selectmen:

John Tuthill	
Tom Esslinger	
Gretchen Abendschein

Planning Board – Two Persons for three-year term	
Stephen T. Davis	162
James K. Jennison	197
Laurence J. Williamson	163

Furthermore, you are hereby notified that discussion and voting on the following articles will commence at 7:30 of the clock in the evening on March 11 next at the Town Hall:

Moderator John Luther called the meeting to order at 7:35 p.m. on Tuesday, March 11, 2008 at the Acworth Town Hall. John announced that the polls would be open after the meeting for those that still had not voted. He then asked all to stand and join him in the pledge of allegiance.

Selectman Thomas Esslinger started out by thanking all who helped in the completion of the remodeling of the town hall and to John Herpel who did all the trim work around the stage at no cost to the town. He encouraged everyone to look around. He also thanked in advanced John Putnam for the signs that he is making for the front and side of the town hall. Tom also noted that the basement is dry.

John Luther went over a few rules of how the meeting would be conducted. His expectations were again that people would be respectful to one another. He then began by reading the warrant.

ARTICLE TWO: To see if the Town will accept the minutes of the Town Meeting of March 13, 2007.

Article Two moved by Ken Grant. Seconded by Mary Lord.

With no discussion, the article was moved to vote by voice vote.

ARTICLE TWO PASSED UNANIMOUSLY

ARTICLE THREE: To see if the Town will empower the Selectmen to serve as pound keepers, measurers of wood and fence viewers.

Article Three moved by Jim Brown. Seconded by Claudia Istel.

With no discussion, the article was moved to vote by voice vote.

ARTICLE THREE PASSED UNANIMOUSLY

ARTICLE FOUR: To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

Article Four moved by Linda Christie. Seconded by Rob Devalk.

After a brief discussion, the article was moved to vote by voice vote.

ARTICLE FOUR PASSED UNANIMOUSLY

ARTICLE FIVE: To see if the Town will vote to authorize and direct the Selectmen to annually transfer any and all funds from the sale of burial lots to the unrestricted Cemetery Trust Fund. Such transfers shall be made no later than December 31 each year.

Article Five moved by Theresa Berntsen. Seconded by Marianne Nevelson.

John Putnam addressed this article. With no further discussion, the article was moved to vote by voice vote.

ARTICLE FIVE PASSED UNANIMOUSLY

ARTICLE SIX: To see if the Town will vote to transfer \$10,000 from the Town Forest Maintenance Fund into the General Fund. Said funds were derived from sustainable timber harvests managed by the Conservation Commission in accordance with the long-term Town Forest Management Plan. Submitted by the Conservation Commission.

Article Six moved by Rob Devalk. Seconded by Ken Grant.

Susan Paton addressed this article. With no further discussion, the article was moved to vote by voice vote.

ARTICLE SIX PASSED UNANIMOUSLY

ARTICLE SEVEN: To see if the Town will vote to accept a gift of approximately 32 acres of land (Map 225, Lot 7) that borders the Acworth Wetlands. This gift must be added to the Acworth Wetlands and a conservation easement placed on it through the Society for the Protection of New Hampshire Forests or another land protection organization. Submitted by the Conservation Commission.

Article Seven moved by Olga Bassine. Seconded by Evelyn Clowes.

Debbie Hinman addressed this article. After one other question, the article was moved to vote by voice vote.

ARTICLE SEVEN PASSED UNANIMOUSLY

ARTICLE EIGHT: To see if the Town will authorize the Selectmen to execute a quitclaim deed to the Estate of Remo Capello for property located off Burroughs Road, Tax map 207, Lot 13, for the purpose of removing a possible cloud on title.

Article Eight Tom Esslinger motioned to postponed consideration of article eight indefinitely. Seconded by Marianne Nevelson.

After a brief discussion by Tom, the motion to postpone the article was moved to vote by voice vote.

POSTPONING ARTICLE EIGHT PASSED UNANIMOUSLY

ARTICLE NINE: To see if the Town will vote to raise and appropriate the sum of \$8,180.00 for the purpose of purchasing a generator for an Emergency Operations Center pursuant to the Town's Emergency Operations Plan; the Town share of \$4,090.00 to be raised by taxes with matching funds of \$4,090.00 to be provided from the Emergency Management Performance Grant Program if approved. No expenditure shall be made if the grant application is denied. Budget Committee and Board of Selectmen recommend this article.

Article Nine moved by Jim Brown. Seconded by Ken Grant.

Skip Auten addressed this article. After some discussion, the article was moved to vote by voice vote. Manifestly in the affirmative.

ARTICLE NINE PASSED

ARTICLE TEN: To see if the Town will vote to raise and appropriate the sum of \$46,000.00 for the purpose of Hazard Mitigation culvert replacement on Crane Brook

Road; the Town share of \$23,000.00 to be raised by taxes with matching funds of \$23,000.00 to be provided from the Emergency Management Performance Grant Program if approved. No expenditure shall be made if the grant application is denied. Budget Committee and Board of Selectmen recommend this article.

Article Ten moved by Marianne. Seconded by Skip Auten. Skip Auten addressed this article. With no further discussion, the article was moved to vote by voice vote. Manifestly in the affirmative.

ARTICLE TEN PASSED

ARTICLE ELEVEN: To see if the Town will vote to raise and appropriate \$30,000.00 for the purchase of a Highway Department pickup truck. Budget Committee does not recommend this article.

Article Eleven moved by Marianne Nevelson. Seconded by Theresa Berntsen. After some discussion, Hugh Gendron moved to amend this article. Seconded by Ralph Balla.

Hugh Gendron motioned to amend this article to \$20,000. Seconded by Ralph Balla. After a lengthy discussion Steve Davis moved the question on the amendment. Seconded by Ralph Balla.

Moving the question on the amendment passed by voice vote.

Amendment moved to vote by voice vote.

Moderator was unsure of vote so asked to vote again by show of voter cards.

YES 56 NO 69

AMENDMENT FAILED

After a further lengthy discussion on the original article, Tammy Gendron moved the question. Seconded by Ralph Balla.

Moving the question passed by voice vote.

Article Eleven was moved to vote by voice vote.

Moderator was unsure of voice vote so asked to vote by show of voter cards.

YES 65 NO 63

Moderator felt the count was too close so asked to vote again by secret ballot vote using letter “A”. The letters were collected. Meeting was recessed at 8:30 p.m. to count ballots.

Meeting was called to order at 8:45 with the results.

YES 71 NO 66

ARTICLE ELEVEN PASSED

ARTICLE TWELVE: To see if the Town will vote to raise and appropriate the Budget Committee recommended sum of \$1,007,301.00 for general municipal operations. The Selectmen recommend \$1,007,301.00 also. This article does not include Special or Individual articles addressed. Budget Committee and Board of Selectmen recommend this article.

Article Twelve moved by Marianne Nevelson. Seconded by Claudia Istel.
Tom Esslinger motioned to amend this article to increase the amount by 16,000.00 on line item 4319 making the total budget to 1,023,301.00. Seconded by Evelyn Clowes.

After a lengthy discussion, Mike Nevelson motioned to move the question on the amendment. Seconded by Sue Metsack.

Moving the question passed by voice vote.

Amendment moved to vote by voice vote.

Moderator was unsure of vote so asked to vote again by show of voter cards.

YES	66	NO	58
------------	-----------	-----------	-----------

AMENDMENT PASSED

Jim Brown proposed to amend the article to add: “after the vote the article not be brought up again for reconsideration.” Seconded by Ken Grant.

After further discussion, the amendment by Jim Brown was withdrawn.

After a lengthy discussion, Tom Esslinger motioned to move the question. Seconded by Torrey Greene.

Moving the question passed by voice vote.

Article twelve as amended to read 1,023,301.00 moved to voice vote.

Moderator was unsure of vote so asked to vote again by show of voter cards.

YES	64	NO	55
------------	-----------	-----------	-----------

Article TWELVE AS AMENDED passed

Jim Brown motioned to reconsider article twelve. Seconded by Jay Phinisy.

Motion to reconsider article twelve was moved to vote by voice vote.

MOTION TO RECONSIDER ARTICLE TWELVE FAILED

ARTICLE THIRTEEN: To see if the Town will vote to endorse the restoration of the Acworth Meetinghouse. By citizen petition.

Article Thirteen moved by John Putnam. Seconded by Jim Jennison.

After some discussion, Jim Jennison motioned to move the question. Seconded by Ralph Balla.

Moving the question passed by voice vote.

Article was moved to vote by voice vote.

ARTICLE THIRTEEN PASSED UNANIMOUSLY

ARTICLE FOURTEEN: To see if the Town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator and our Governor:

Resolved: We the citizens of Acworth, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator and our Governor to reject the “Pledge”, have an open discussion covering all options, and adopt a revenue system that lowers property taxes. By citizen petition.

Article Fourteen moved by Alice Brown. Seconded by Nellie Bernsten.

Jay Phinizy addressed this article. After a lengthy discussion, Deanne Sanville motioned to amend this article. Seconded by Jim Elssesser.

Deanne proposed to amend the article as follows:

To see if the Town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator and our Governor:

Resolved: We the citizens of Acworth, NH believe in a New Hampshire that is just and free. Any tax that funds an unwieldy government system is unjust and oppressive. State leaders who make laws that increase the size, scope, and programs of government perpetuate higher and higher taxes. We call on our State Representatives, our State Senator, our Governor, and our town government to reject the philosophy of Big Government and the burdensome taxes it requires, to look for ways to drastically reduce the size and expenditures of our governments, to reject all unjust taxes, and to once again embrace the dream and goal of our forefathers to live free in New Hampshire.

After further discussion Ruth Balla moved the question on the amendment.

Seconded by Jim Genovese.

Moving the question passed by voice vote.

Amendment moved to vote by voice vote.

AMENDMENT FAILED

After further discussions on article fourteen, Linda Christie motioned to move the question. Seconded by Rob Devalk.

Moving the question passed by voice vote.

Article fourteen moved to vote by voice vote. Manifestly in the affirmative.

ARTICLE FOURTEEN PASSED

ARTICLE FIFTEEN: To transact any other business that may legally be brought before this Town Meeting.

Claude Bassine motioned to discuss schools. Seconded by Ralph Balla

Claude Bassine wanted everyone to be aware of the meeting at Villas School and the importance of attending on March 25th. There will be discussion of the future of the Acworth School.

Lorraine Dion asked if the town had a PA system that could be used at town meeting. She indicated that she would like to have it used as it is hard to hear some people.

With no other business at hand, Ralph Balla moved to adjourn the meeting.

Seconded by Jim Genovese.

Voice vote to adjourn the meeting at 10:05. Passed Unanimously.

Moderator announced at 10:05 p.m. that the business portion of meeting is adjourned and that anyone that wishes to vote may do so.

Polls closed at 10:10 p.m.

Meeting recessed at 10:15 p.m. to count ballots

Meeting was adjourned at 12:05 a.m.

Respectfully submitted by,

Charlotte Comeau, Acworth Town Clerk

2008 Tax Collector's Report

The tax year has gone smoothly. The new style bills save a lot of time as we can use the town copier to print the bills. This is a more efficient use of office machinery. I appointed a new deputy, Susan Metsack. I want to thank Charlotte Comeau for being the deputy. I made the change because Susan is available to work on my posted office hours. Office hours will stay the same: Mondays 8:30 Am to 12.30 PM. I am usually in on Friday mornings also, but call first to check. Post marks are honored as the date of payment, so there is no reason not to mail your payments. If you include a stamped self addressed envelope, I will return your receipt.

There were 3 mortgage foreclosures in town, but 2 were averted and the 3rd one was just postponed. The taxes are not affected in a foreclosure because the town's lien has priority.

On August 4 2008, 44 Liens were executed for the town relating to 31 property owners and recorded with the Registrar of Deeds. The amount of the Liens was \$61,840.00 - \$56,957.73 for 2007 property taxes and \$4,883.26 in accrued interest cost. Total property taxes for 2007 were \$1,760,090. The delinquency rate in dollars is 3.2 % for 2007.

On September 2nd, Map 241 Lot 18 was deeded to the Town for unpaid taxes for 2005, 2006, 2007 and 1st issue 2008 in the amount of \$1720.51.

Unpaid balances for 2008 property taxes on 1/30/2009 amount to \$48,662.30 for first issue and \$103,778.06 for second issue totaling \$152,400.36. These balances are accruing 12% interest. This number comprises 109 property owners and 212 properties, which is the same as last year. 42 Properties show a balance less than \$50.00. Total 2008 property taxes amounted to \$1,928,056.00. Percentage of late payers in dollars is 7.9 %.

Unpaid balances for 2007 liens on 1/30/2009 amount to \$53,331.45 comprising 36 properties owned by 32 owners. These balances are accruing 18% interest and mortgage search and notification fees. Unpaid liens will be deeded to the Town in 2010.

Unpaid balances for 2006 liens on 1/30/2009 amount to \$15,936.58 comprising 13 properties owned by 11 property owners. These properties are scheduled to be deeded to the Town in 2009. Property owners will be officially notified by certified mail. I urge these property owners to contact me, so we can put a payment schedule in place. Please do not let this go to the last minute unless you have the full amount to discharge the lien. In 2007 there were 34 property owners who had liens for property tax two years old. In 2008 there are 49 property owners who had liens for property tax two years old. My plan is to mail the delinquency notices in the last week of February. The lien date for 2008 taxes will be August 2nd, 2009.

All in all I would say it was a good tax year. Again I thank the taxpayers for their patience and courtesy shown to me and my deputy in the last year.

Thank You, Marianne W. Nevelson, Tax Collector

2008 Town Clerk Report

Crystal Bascom is doing a wonderful job as my Deputy. I certainly appreciate her hard work and willingness to fill in at the drop of a hat!! We make a great team! Crystal works on Monday evenings and processes registrations, dog licenses, and can give out absentee ballots. Any other business must be done on the days I am there. Crystal helped me after the general election in preparing the final numbers for the state and media and for that I am very grateful. It is so good to have a second pair of eyes when finalizing numbers late at night!

In 2008, with the help of Peg Kish, I applied for and was approved for a grant in the amount of \$5,490.00 funded by the NH Moose Plates. With this along with what was left from the 2007 New Hampshire Department of State and the Vital Records Improvement Fund, all of Acworth's vital record books have been or are in the process of being restored by Brown's River Records Preservation Services. We have received the oldest books back already and they are beautiful. I expect that the rest will be back very soon and in time for town meeting. I will have them out on display so that everyone can see them.

2008 was the first year that we offered E-Reg in order that you can renew your vehicles via the internet. It wasn't used as much as I had anticipated but there were some people that took advantage of it. If you decide to register in this manner, go to the town website at www.acworth.cc and under links, click on the button at the bottom that looks like this.

At the end of the process it will advise you to make out **two** checks one for the town and one for the state just the same as if you were to come up here. Keep in mind that as you complete this process on your computer, your registration is not renewed at this point. You still need to send your checks to the town office. Once I receive them, I will process the registration and mail you your new registration along with the stickers.

As a reminder, for your safety and ours, the office may be closed during inclement weather, so please call ahead.

For the Town of Acworth
Charlotte Comeau
Town Clerk

Board of Selectmen
Town of Acworth
Acworth, New Hampshire

We have audited the accompanying Town Clerk's Report (cash basis of accounting) of the Town Clerk of the Town of Acworth for the year January 1, 2007 through December 31, 2007. This schedule is the responsibility of the Town's management. Our responsibility is to express an opinion on the schedule based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Town Clerk's Report is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the schedules. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall schedule presentation. We believe that our audit provides a reasonable basis for our opinion.

This financial statement has been prepared on the cash receipts and disbursements basis of accounting, which is a comprehensive basis of accounting other than generally accepted governmental accounting principles.

In our opinion, the schedule referred to above present fairly in all material respects the activity in the Town Clerk's account arising from the cash transactions for the year January 1, 2007 through December 31, 2007.

Respectfully submitted,

Mason + Rich, P.A.

2008 Selectmen's Report

Road projects and related issues were foremost on the Board's 2008 agendas. The Town Meeting vote for a budget which included paving Allen and Cold Pond Roads resulted in considerable citizen concern. The Board responded by establishing a Road Advisory Committee to address project questions which were being raised. RAC has evolved to include Townspeople with career road construction experience and is assisted by former state engineer Steve Gray. In preparation for actual project work the Committee worked with Road Agent Kerry Smith to evaluate material contained in the Town Gravel Pit and on a design for efficient Pit usage. With RAC's help the 2008 road projects were carried out satisfactorily and within budget.

In August the Grout Hill Bridge was closed following decking and structural damage caused by a Carroll Concrete truck. From the time of the damage Carroll Concrete worked with the Town to assess, plan and execute what became a replacement of the bridge. Steve Gray worked on the Town's behalf in meeting state bridge inspection requirements and within three months State Senator Bob Odell cut a ribbon on the new bridge opening it to traffic. The Town received a State Senate Resolution of congratulations in recognition of a successful public/private collaboration.

The Board had several meetings with citizens and representatives of ambulance services. In response to concerns expressed by Crescent Lake residents the 2008 ambulance contracts provided for coverage to be split between LeFevre Ambulance Service and Golden Cross Ambulance. In 2009 the Board will be looking for proposals by which time efficient coverage will be consolidated within one contract.

Though funds were appropriated the Board did not act to restructure the Transfer Station layout. A Solid Waste Advisory Committee was formed to look more closely at the Town's needs in relation to a changing market.

In recent years the Town has invested time and funds in several projects including an Emergency Operations Plan, a Hazard Mitigation Plan, and updates to the tax maps and Master Plan. It is gratifying to know that these efforts bring results. The Town Hall generator was possible due to a grant based on our EOP, our eligibility for the Crane Brook Road culvert grant is based on the HMP and our eligibility for a recently received Housing and Conservation Planning grant was partially based on having town maps and a Master Plan in place. In another area, our investment in the Town Hall and offices has resulted in greater use of the building. In 2008 the Hall was reserved for the Crescent Lake Association Annual Meeting, numerous private functions and two popular weekly Recreation Committee activities. Upper Valley Lake Sunapee Regional Planning Commission hosted an area Listening Session here and the state Attorney General's office hosted an investment seminar for local towns.

The Board is aware that these are in difficult times for everyone. This increases the importance of making sound decisions which will use resources efficiently and serve the Town in coming years. Your input is valuable and we hope you will participate in your Town government.

Respectfully submitted,
John Tuthill, Gretchen Abendschein, Tom Esslinger

2008 Highway Department Report

2008 was a year of progress for the Highway Department. I feel that we moved ahead on so many things. The Town finally has a permitted gravel pit with good quality sand and gravel for use on our roads. At a price of \$1.50 per yard to buy it at someone else's pit, that will be a valuable asset and without trucking! It would take roughly 50 to 60 years to go through all of this material. The old pit next to the dump is getting close to capacity, so the timing is right to get the new one operating. Most of our neighboring towns have to buy their winter sand. Some towns spend sixty to seventy thousand dollars per year just on winter sand.

The first phase of Cold Pond Road was a success. We put 3500 yards of bank run gravel on it from the new pit and purchased crushed gravel from Weeds in Newport for the surface to be paved over. Paving was done by All States Asphalt using a cold mix type asphalt that was made using our sand and purchased stone. The project was 6 tenths of a mile and pavement 19 feet wide. We've had many comments from residents who like driving on it. The 2009 Cold Pond Road work is intended to go to Heino Road; also about 6 tenths of a mile. No paving is planned for this section but the surface and drainage will be the focus.

We finally have an engineer on board. Steve Gray retired from NH DOT last year and he brings a wealth of knowledge in road building, reconstruction, costing and bidding. He's a pleasure to work with and I look forward to having his help on future projects.

The Town now has an active Road Advisory Committee. Torrey Greene, Tim Perry, Rob Vogle, Tom Esslinger make up the group with assistance from Steve Gray and myself. I feel everybody is bringing something to the table that makes this Committee work. We toured the Town so everyone could see the areas that need work and discussion as future projects. I can see us presenting realistic updates to the Planning Board for the Capital Improvement Plan. I appreciate the devotion these guys have for their Town and the expertise they bring to the Committee.

The Grout Hill Bridge started out as a disaster for Acworth and turned into a blessing. The old bridge was in poor shape and state inspectors were considering condemning it. A bad decision by a concrete truck driver forced the issue. With great cooperation between Carroll Concrete and the Select board, a new bridge was set in place in record time. I can't commend Carroll enough for all they did for us. The new bridge has no weight rating which means you can drive anything across that will fit. A few years ago quotes from bridge contractors averaged \$500k to replace it. The Town spent less than 10% of that on this upgrade. Steve Gray was instrumental in putting the project together. Carroll supplied labor and materials, the Highway crew took care of the approaches. I have never worked on a project that went so well. Thanks to all that were involved.

Much needed drainage work was done to Lufkin Loop. Culverts and ditches were created where there weren't any. Most of our time was spent on routine maintenance and the three big projects, paving preparation of Allen Road, Cold Pond Road upgrade and the bridge.

Prescott has started his seventh year for the Town, Bob Stocker returned for the summer and Keith Short is filling in this winter. Once again, thanks to you guys for your efforts. It is appreciated by most of the residents of Acworth. The courtesy and respect you show to the taxpayers doesn't go unnoticed.

Kerry Smith, Road Agent

2008 Solid Waste Report

Acworth residents disposed of 286 tons of municipal solid waste (MSW) in 2008 down 20 tons from the prior year, a 6.5% reduction. On average the town generated 1570 pounds of residential and commercial waste per day, or about 1.75 lbs per person. Based on state housing data the average Acworth household throws away about 4.5 lbs/day. While commercial waste and seasonal residences skew that figure upwards, Acworth's waste generation rate remains below state and national averages. An additional 100 tons of Construction and Demolition (C&D) debris were shipped from the transfer station in 2008, a 28% reduction from 2007. Combining MSW and C&D waste the overall generation rate is over one ton per day, about 6 lbs/household/day or 2.3 lbs/person/day. (Assumes 900 people in 347 households, NHOEP 2006.)

The recycling rate improved significantly in 2008 with 80 tons of mixed paper and mixed containers shipped for processing. Recycled tonnage was 28% of total MSW and 20.7% of MSW and C&D. While recycling markets collapsed in late 2008 the Northeast Resource Recovery Association paid Acworth \$3,895 for recyclable materials, offset by hauling and processing charges of \$2,980 for net annual income of \$915. The avoided disposal cost was \$6480 representing savings on disposal of approximately 20%. At current market rates the average net cost for shipping and processing recyclables is \$64/ton. By comparison in January 2008 the town was receiving \$80/ton for mixed paper. In December it cost about \$25/ton to process recycled paper, a \$105 spread in twelve months. Assuming no change in the market the cost of recycling 80 tons would be \$5200 with no offsetting income anticipated and an avoided disposal cost of about \$2400. Given the level of volatility in the disposal and recycling markets, budgeting for transfer station operations will be challenging in 2009.

The transfer station shipped 25 forty-yard containers of MSW in 2008 with an average weight of 11.4 tons. Average hauling cost was \$14.42/ton. Disposal cost was \$81/ton. Rental costs for equipment and containers was \$12.58/ton. Total cost for hauling, disposal and rental was \$30,891 for a per-ton cost of \$108. The average interval between shipments of C&D waste was three weeks and the average weight of the 15 containers was ~6.5 tons. Excluding rental costs, which are picked up on the MSW side, the cost to haul and dispose of C&D is over \$110/ton, or about \$0.06/lb. The average fuel and environmental surcharge on each of the 40 containers shipped to Newport was roughly \$30 or \$1200 for the year, adding about \$3/ton. The surcharge fluctuates and is not reflected in the per/ton calculation.

Wages, maintenance and other overhead costs are not included in the figures presented above. The disposal cost based on the total expenditures and a combined total of 386 tons shipped in 2008 comes to just over \$165/ton or \$0.08/lb. Other materials and costs: 334 tires@\$668, 5.18 tons of electronics@\$1068, Fluorescent lights@\$235, Payment to Keene Recycling Center for the household hazardous waste collection program@\$475.

James Jennison and Frank Emig are to be commended for their commitment to improving operations at the Acworth Transfer Station. Their ongoing efforts and service to the town are appreciated. Respectfully submitted, John Tuthill, for the Board of Selectmen

2008 Trustees of Trust Funds Report

The Board of Trustees met on January 11 to act upon a proposal from Citizens Bank. Documents of agreement were signed among Citizens Bank, Bank of New York, and this board. The benefits of which were to enhance security to our collateralized deposits held at Citizens Bank. Also the Bank of New York reports to us weekly, and monthly recapping our collateral position. Furthermore, the Government Accounting Standards Board for financial planning has elevated the classification on these deposits to a "Category One" level of security.

In the early spring we elected a bookkeeper, John Demars, and a chairman, Alston Barrett. Marianne Nevelson was reappointed as recording secretary. We also reviewed our investment policy and adopted the "Prudent Investor Rule" NH Senate bill 377.

The trustees were pleased to have installed sufficient filing cabinet space for our accumulated records, some of which by law shall be kept permanently and be available to the public. We were greatly assisted in this endeavor by Greta Perry.

On November 12 the trustees were pleased to host Terry Knowles and Audrey Blodgett of the Charitable Trust Unit of the Attorney General's office to present an educational seminar on new laws concerning the application of the "Prudent Investor Rule". In addition to Acworth Trustees, several trustees from neighboring towns, Selectman John Tuthill, and bank officers attended.

Home Healthcare, Hospice, and Community Services (VNA) received supporting funding from the Faithful, Richard, and Clarence Jeffrey Memorial Fund to again provide health screening services under "The Nurse is In" banner. The services provided were 18 Bone Density and Lung Capacity screenings and 66 flu vaccine immunizations. The trustees fully support these endeavors and hope that more people will make use of this mostly free service.

The Acworth Silsby Free Library continues to benefit from the Faithfull S. Jeffrey (1990) bequest. This supports "the purchase of books, periodicals, and other materials conducive to intellectual and cultural enjoyment of the inhabitants of Acworth". The income from this fund is restricted to "supplement regular appropriations for books and periodicals which might not otherwise be obtainable from public funding". With this support the Library was able to obtain over 300 books in a very broad range of categories and interests. These include the classics, recent fiction and non-fiction, art, biographies, travel, science, and children's books.

As fiduciaries, the trustees hold both public and private funds in trust. With our obligations of "loyalty, care, and management" our duties include acting in the best interests of the trusts, management and investment of the trusts, and to establish an investment policy. Our successes are mainly attributable to our prudent and conservative decisions made during times of financial market exuberance. We did not invest in equities as tempting as they may have appeared in the first half of 2008. This policy resulted in no losses in principal, but broadly there were gains to income for the benefit of the library, cemeteries, health, and town.

Respectfully submitted, Alston W. Barrett, John S. Demars, Tim Perry, Trustees

2008 Library Report

Acworth Silsby Library had 1,660 visits from patrons in 2008 and welcomed 31 new cardholders. This year we added hundreds of new books, providing a wider range of authors and titles, as well as filling in our collection of classics and favorite authors.

Our Library internet connection was greatly improved by relocating the satellite dish this summer. Many visitors use our two computers or bring in their laptops for our wireless connection. The computers have software for children to introduce computer usage and educational games.

With an enhanced connection to the internet, we are moving ahead by automating and bar-coding our collection. We have completed this work with the fiction and are now logging non-fiction books into our database. Eventually we will add patrons and electronically monitor the circulation of books. As we handle the books, we are also making repairs and re-covering the many books that need attention.

The Book Sale, held each year during Old Home Days in August, provides additional funds to purchase new books. We thank all those who participated either by donating books to the sale or by purchasing books. We donated unsold books to several local organizations. We will be accepting donations of books in the month of July 2009 as we prepare for next year's sale.

Our Arts and Crafts Sale is held in early November at the Town Hall. It is now a Library tradition and an exciting day, with lots of vendors, shoppers, food, and prizes.

We sold our collection of VHS movies and are working to build up our collection of DVD movies. We are an active member of the Nubanusit cooperative, which provides a collection of movies and audio books that rotate bi-monthly among 23 local libraries. Nubanusit has introduced us to Playaways, a new form of portable audio books.

Inter-library loans (ILL) continue to be a popular way for patrons to read books not owned by our library. We brought 194 ILL books to Acworth for our patrons in 2008.

We have relocated our audio-book collection and will acquire more books on CDs as technology moves away from tape cassettes.

Income received in 2008 totaled \$30,864.37 from the following sources: Town Appropriation \$23,800.00; Trust fund income \$3,213.25; savings & CD interest earned \$2,273.11; revenue from book sales \$853.01; unrestricted gifts \$465.00; craft sale & copier/printer income \$230.00; pass-thru funds (forwarded to Town or AHS) \$30.00; restricted gifts \$0. Operating expenses for 2008 totaled \$38,593.54 expended as follows: Payroll & taxes \$18,899.37; fees/supplies & other (including Alexandria software) \$5,590.52; books/periodicals/audio/video \$5,420.70; building repairs/upgrades \$4,911.43; utilities \$2,199.48; grounds care \$1,025.00; heating system \$547.04.

Library hours are Sun 11:30am-4:30pm, Tue and Thur 11:30am to 5:30pm

2008 Library Trustees Report

Visible Library improvements made in 2008 include a new front door built of oak. Its design matches the style of the old double door but is sturdy, energy efficient, and meets safety codes. The old door is being stored for future appropriate use. The outside entryway and window frames have been repainted. A re-built front step replaces the decaying old one. The Library's foundation drainage has been upgraded to prevent water from coming into the basement, and the basement has been thoroughly cleaned and de-cluttered and is being renovated. Storm windows were repaired to increase weather efficiency. The front walkway was paved to improve safety, accessibility, and to facilitate maintenance. A bright new book display shelf was installed to help showcase new arrivals.

A portion of the walkway was paid for by a gift from the Friends of the Library (FOL) and some new light fixtures were installed in the front room (currently the children's room) also paid for by a gift from the FOL. Thank you Friends for your support.

Satellite internet was installed in January 2008 and after much trial and tribulation, we finally got it working consistently late spring. Our apologies to the patrons who experienced inconvenience while we worked the bugs out. Now that consistent service has been achieved, we have upgraded the connection speed. We also have wireless access installed at the Library so patrons may bring their own laptops to work on.

We will continue to make changes in 2009, renovating a portion of the basement to have more usable space. Also this year a concerted effort will go into re-building the Library's website, which is currently very outdated.

Be sure to stop in, check out all the new acquisitions, use the computers/internet access and see what changes are going on.

Guy Russell, Tanya Holt, Joann Brown, Joanne Smith, Melinda Loiselle,
Acworth Silsby Library Trustees

MASON + RICH

PROFESSIONAL ASSOCIATION
Certified Public Accountants

Board of Selectmen
Town of Acworth
Acworth, New Hampshire

We have audited the accompanying Report of the Silsby Public Library (cash basis of accounting) of the Library Trustees of the Town of Acworth for the year January 1, 2007 through December 31, 2007. This schedule is the responsibility of the Town's management. Our responsibility is to express an opinion on the schedule based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Silsby Public Library Report is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the schedules. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall schedule presentation. We believe that our audit provides a reasonable basis for our opinion.

This financial statement had been prepared on the cash receipts and disbursements basis of accounting, which is a comprehensive basis of accounting other than generally accepted governmental accounting principles.

In our opinion, the schedule referred to above present fairly in all material respects the activity in the Silsby Public Library's accounts arising from the cash transactions for the year January 1, 2007 through December 31, 2007.

Respectfully submitted,

Mason + Rich, P.A.

2008 Sexton's Cemeteries Report

The year 2008 was another busy and productive year in the Acworth Cemeteries. We were able to remove many overgrown shrubs and weed trees from most of the north and center sections of old cemetery. Several of the very oldest and most beautiful monuments had become totally obscured and are now once again visible. There still remains more brush removal to be done around stones in the southern sections. We hope to begin clearing brush from the margins of the new cemetery in 2009.

More dead and damaged large trees that were a serious threat to monuments along the north boundary were removed. A new young Sugar Maple was planted to replace one of the huge old Maples in the west end that had been removed last year.

Much repair work was completed on monuments in the northern section and part of the center sections of the old cemetery. Ninety-eight monuments were reset, straightened, or repaired, including one of the largest in the northeast corner of the cemetery. Fortunately some of the repair costs were reimbursed to the town by endowed funds.

We feel that we have made progress with our mowing schedule. Trimming is always one of our major routine expenses and we would like to remind people that anything in the way of plantings or other obstacles that impede maintenance contributes to our costs and can detract from the general appearance of the cemetery. New plantings are not permitted without the prior approval of the Sexton.

In 2009 we will continue to develop our survey of the new cemetery bringing records up to date and laying out additional cemetery plots for purchase.

In the past years the Trustees were very fortunate to have the routine maintenance of the old cemetery on the Batchelder-Nye road done on a volunteer basis by the late Charles Young. In the near future that cemetery should be the object for some deferred tree work and monument repair. This cemetery with its ancient beautiful stones is one of Acworth's and New Hampshire's most significant historic sites.

In light of current economic conditions the trustees have decided to reduce by \$3000.00 the amount raised from taxes of the 2009 cemetery budget through the use of monies from various unrestricted trust funds. The projected amount to be raised by taxes in 2009 is nearly identical to our 2008 budget.

We also note with great sadness the passing on January 9, 2009 of our colleague, friend, and former sexton Kenneth Bogel who gave many years of dedicated service to the care of our cemeteries.

Respectfully submitted on behalf of the Trustees of Cemeteries

G.Kristian Fenderson, Sexton

2008 Acworth Volunteer Fire and Rescue Company, Inc. Report

The Company responded to 64 calls this year as follows:

Medical Emergency 36
Cancelled en route 3
Chimney Fire 3
False Alarm 3
Mutual Aid-Cover Assignment 3
Mutual Aid-Structure Fire 3
Structure Fire 3
Rekindle 2
Power Line Down 2
Vehicle Accident 2
Controlled Burn 1
Heavy Equipment Fire 1
Natural Vegetation Fire 1
Rubbish Fire 1

Another busy year for the Company, with two major structure fires that sadly resulted in the loss of two homes. In both cases, the structures were fully involved by the time the first equipment arrived, but adjoining buildings were saved. In both cases too, mutual aid responses from adjacent towns were crucial in knocking down the fires as quickly as they were.

This year also saw the introduction of new reporting software for the office of the Fire Marshall. All the member towns in the Southwestern Mutual Aid District were trained in the use of the new software, which allows users to log onto a website that displays that town's incidents as soon as they happen. These incident reports can then be supplemented with information from participating units directly, including lists of participating personnel, equipment dispatched and photos from the scene. This data can all be compiled at the state level and is especially useful for grant applications.

Members of the Company have also been kept busy with individual training and certification, training exercises with adjacent towns and mandated annual testing of pumps and equipment. We especially enjoyed our chance to visit the Acworth School for exercises related to Fire Safety Month in October and are grateful to all for their enthusiastic participation.

Even though our membership is probably as high as it has ever been, and there is usually good turnout at all incidents, we always welcome new members, particularly those who are in town during the day.

2008 Planning Board Report

During the course of the past 12 months the Board has had several projects that it can take pride in completing. The Master Plan Addendum has been finalized and adopted; we responded to residents' issues by giving you the opportunity to vote on Zoning Ordinance amendments; and we were awarded a grant for over \$17,000 through the State Housing and Conservation Planning Program.

We are proud to acknowledge the accomplishments of the original Master Plan, a document that remains relevant three decades later. The Addendum makes several updates to this vital document of Town planning and fulfills our statutory obligation for regular updates.

The Joint Boards meetings held this spring and fall were a great opportunity to share our concerns and issues, and there was meaningful action taken on several of these. Citizens and Conservation Commission members brought forward concerns about zoning ordinances pertaining to the Crescent Lake District especially in light of recently strengthened State Comprehensive Shoreland Protection Act regulations. Resulting are the Zoning Ordinance amendments that will be voted at this year's Town Meeting. This is an effort to allow owners greater flexibility while maintaining the health of the lake and the Cold River. The Planning Board recommends you approve these amendments.

In July the Board's application for a State Housing and Conservation Planning Program grant was one of six to be approved by the Office of Energy Planning for professional assistance in mapping and data gathering to benefit Town planning efforts. The Town is responsible for matching the grant with just over \$1000 in volunteer hours toward the project. Housing and demographic data, historic and natural resource mapping, build-out analyses and public outreach are included in the project. A public hearing to introduce the grant goals was held at Town Hall on September 25, 2008. A Planning Board steering committee for the project meets at 7PM on the third Thursday of each month to oversee volunteer efforts and coordinate with Ken McWilliams and Mark Goodwin, who won the planning assistance contract bid. The project is due to be completed by February 2010 with a report available to the public.

This year will be our second year with a Capital Improvements Program. This is an excellent tool to plan and schedule large fiscal projects. With input from the Treasurer, the Board of Selectmen and the Road Advisory Committee, the Planning Board was able to adopt a CIP that balances the need for growth with fiscal responsibility. The intent is for the CIP to be used as a guide, knowing that unplanned events will occur and changes and adjustments should be made accordingly. The CIP is advisory and was passed to the Board of Selectmen and the Budget Committee for their review.

The Board also considers matters of public business during the year. Five subdivision applications were received. One was withdrawn, the other four approved, creating 6 new lots. Two permanent and three temporary driveways were approved. It should be noted that the State Department of Transportation permits driveways on State roads. Also, one Class VI road building permit was supported, and an excavation permit was approved.

The Planning Board meets the last Wednesday of each month at 7PM, and we invite and encourage the public to attend. Our diversity and our common goals make Acworth a better Town.

Doug Robinson, Chair; Stella Herpel, V. Chair

2008 Energy Committee Report

The mission of the Select Board-appointed Acworth Energy Committee is to help the town find ways to reduce its fossil fuel consumption in town buildings and vehicles, and to develop strategies to help private citizens consume less fuel in their homes and travels. In 2008, The Energy Committee continued to organize public events and otherwise provide information to town residents about approaches to saving energy.

Evening Events

Seven evening events focusing on energy conservation and climate change were held, free to the public. These included three public speakers, one pot-luck and discussion group , and three film showings.

- Pablo Fleischman of Green Energy Options discussed technologies and other ways to improve energy efficiency at home.
- Jim Merkel spoke about low ecological footprint/low income living as outlined in his book, *Radical Simplicity*
- Noah Tuthill of GroSolar presented about Solar Hot Water technology, costs and opportunities.

Films shown:

- The Great Warming, a documentary film about climate change
- The 11th Hour, a film about grave problems facing the planet's life systems and potential solutions
- The Power of Community, How Cuba Survived Peak Oil about the growth of Cuba's urban farms when fossil fuel supplies were cut off.

Other Outreach

The Energy Committee's primary focus has continued to be providing information on energy issues relevant to the town, including:

- Information about Energy use and costs of road paving in rural communities and Car Idling
- Data about energy use and costs of Acworth town buildings
- Sustainability tour of the Orchard Hill community
- Articles about Acworth Energy Committee events were printed in the Claremont Eagle Times and the Keene Sentinel
- Networking and collaborating with the active Walpole Energy Committee
- Table at the Orchard Hill School summer fair

Monthly Meetings

The Acworth Energy Committee meets on the 3rd Wednesday of the month at 7:30 pm in the Town Hall. All are welcome. We are seeking new members for the committee since two members are moving.

We are: Alice Fogel, Noah Tuthill. Susan Cutting, Joanna Dennett, William Sandoe, Daniel Young. and Peter Sotiropoulos.

2008 Conservation Commission Report

In 2008 the Conservation Commission worked with the Society for the Protection of NH Forests to add the gift of 32 acres bordering the Allen Road and the Cold River to the Acworth Wetlands and place a conservation easement on the property as directed by the citizens' vote on Article Seven at the 2008 town meeting.

The commission continues to work with the SPNHF and the NH Office of Energy and Planning as we provide stewardship oversight on four of the ten conservation easement properties in town.

In 2008 a considerable amount of time was spent understanding the changes to the NH Comprehensive Shoreland Protection Act (CSPA) and its impact on the town of Acworth. Under the revised CSPA both Crescent Lake and the Cold River shorelands are protected to a distance of 250'. Commission members attended NH Department of Environmental Services workshops about the revised CSPA. At the request of the Board of Selectmen the Commission created an informational letter to be distributed to all Crescent Lake and Cold River property owners who apply for building permits or request information about state and local regulations regarding building within the protected shorelands of Acworth. The letter provides pertinent state and local websites and phone numbers.

Our two Town Forests are managed by the Conservation Commission with support from the Forest Advisory Board and our Town Forester, Peter Rhoades. Both forests are managed for timber production, wildlife habitat, watershed protection, and outdoor recreation.

The Annual Green Up Day (roadside trash pick-up) was held the first Saturday in May. More than 20 adults and children turned out to help, in addition to several others who pick up trash along their own roads. Thanks to all who pitched in and to those who made final sweeps around town to collect the last piles and bags.

The commission shared the costs with the Unity Conservation Commission for the May, July, and Sept. water quality monitoring tests of Crescent Lake. The commission continues to be involved with the Cold River Local Advisory Committee on their annual water quality monitoring and other projects related to the Cold River.

The commission reviewed numerous wetlands and DES permit applications, conducted site visits as requested by the BOS, began review of town owned lands, and advised citizens about state and local regulations with regard to conservation issues.

Respectfully,
Susan Paton, Chair

Debby Hinman, Vice Chair

Members: Sandy Brewer Rob DeValk, Helen Frink, Peter Maynard **Alternate:** Mark Wellens

2008 Crescent Lake Association Milfoil Committee Report

The Crescent Lake Association has once again been able to keep the lake water clean and free of exotic weeds. This was made possible through the dedication of our Lake Hosts and their 692 boat inspections on 460 boats. In addition to this program, lake association volunteers participated in the annual lake bottom inspection, and both the water testing and the weed watching programs.

All this has been made possible through the financial support of the Towns of Acworth and Unity, along with the Crescent Lake Association members and state grants. Unfortunately, the state funding has been decreasing and will probably continue to do so. Thus far we have been able to make up the short fall by having yard sales, raffles, and extra donations from association members.

The future will continue to bring challenges, but the Crescent Lake Association is committed to keeping Crescent Lake water clean for the enjoyment of all.

Respectfully submitted,

Crescent Lake Association Milfoil Committee - 2008

Jerry Bushway – Unity

John Demars – Acworth

Lorraine Dion – Acworth

Jim Howe – Acworth

Bob Kroupa – Unity

Bill Paton – Acworth

Tim Perry – Chairman – Acworth

Stan Rastallis – Unity

2008 Cold River Local Advisory Committee Report

Acworth, Alstead, Langdon, Lempster and Walpole

The Cold River Local Advisory Committee (CRLAC) consists of citizens appointed by select boards from Acworth, Alstead, Langdon, Lempster and Walpole. These representatives volunteer their time to help municipal boards and residents manage the natural, cultural, scenic and scientific resources of the Cold River watershed. The CRLAC also reviews river corridor projects needing state and federal permits and evaluates water-related issues of local or statewide significance.

CRLAC ACCOMPLISHMENTS IN 2008:

1. Municipal Conservation, Planning & Health Assistance

- Assisted residents/boards/business owners with the resolution of a variety of potential water quality degradation issues.
- Reviewed and commented on stream debris removal, a stream buffer property transfer and road/bridge/gravel pit projects.
- Participated in the Alstead Community Conservation Partnership Task Force and Land Conservation Leadership Course.
- Supported local and state efforts to fund stream restoration projects in Flood-damaged areas and develop partnerships with federal wildlife officials for habitat improvements.
- Advised Lempster officials on potential impacts to Dodge Pond of a contaminated site and proposed subdivision.

2. Workshops, Events & Education

- Participated in the 2008 NH Watershed Conference.
- Completed presentations on water quality testing and ground water resource challenges for Conservation Commissions in Acworth, Alstead, Lempster and Walpole.
- Published/distributed a brief public summary of the 2007 water sampling results.

3. Water Quality & Quantity Monitoring

- Completed the sixth year of our voluntary sampling program, including three “routine” and three additional water quality and water level monitoring events on the Cold River, its tributaries and two ponds (Newell/Dodge).
- Analyzed over 125 water samples in the field for pH, dissolved oxygen, conductivity, turbidity and temperature.
- Raised additional funds for over 150 bacteria, nutrient, metal and salt analyses conducted by the state laboratory.
- Completed a winter road salt impact study in Alstead & Walpole including 70 additional field and lab samples.
- Added 29 new sampling sites on: Warren Brook and Camp Brook (Alstead); Honey Brook (Marlow/Acworth); Dodge Brook and its tributaries (Lempster); and Great Brook and its tributaries including Ram, Brush Meadow and Jewett Brooks (Langdon/Walpole).
- Assisted state/federal officials with the site selection process for a new flow gauging station on the Cold River.

The Advisory Committee welcomes your participation in any of our projects and is actively seeking new members/alternates. We meet the fourth Thursday of each month, 7- 9PM, usually in the Alstead Town Offices. Please contact any CRLAC member for more info.

Sincerely

Acworth: Deborah Hinman (Chair)

Alstead: Mike Heidorn (Water Quality Monitoring), Carol Drummond and Sam Sutcliffe (Treasurer)

Langdon: Jennifer Polcari (Vice Chair) and Cathy MacDonald

Lempster: Susan Lichty

Walpole: Charles Montgomery (Scribe) and Austin Hunter

2008 Recreation Committee Report

It has been another busy year for the Acworth Recreation Committee. This year Michelle Turner has added Nia Dance classes to the exercise choices at the Town Hall. Olga Bassine continues to teach Tai Chi to a dedicated group each Wednesday night.

Last spring, we had a two baseball teams, including t-ball and rookie. Skeet Peltier coached the t-ball team with the help of Chris Stewart. Mary Lord, Tina Christie and Tammy Gendron all coached the rookie team.

We had two Acworth soccer teams in the fall, with over 25 players between the two teams. Skeet Peltier and Andy Solomon were the coaches for the 5-6 year-olds, and Mary Lord coached the 7-8 year olds. An older girls team, mostly made up of Acworth girls, played in Alstead, with Sarah Miller and Katie Irish coaching.

Once again, we sponsored a Halloween Play starting at the Lord's barn. This year it was again written by the talented Donna Wentworth. The grand finale featured the band of Will Turner, Charlie Brown and Lon Livengood. Many members of the community participated in the play, which was well attended.

The skating rink has had a great year. It continues to have excellent ice and has been enjoyed by many in the community.

The Recreation Committee is always interested in hearing from community members about the types of activities they would like us to sponsor.

Respectfully submitted,

Mary Lord
Committee Chair

BIRTHS REGISTERED IN ACWORTH
JANUARY 1 – DECEMBER 31, 2008

<u>Child's Name</u>	<u>Date of Birth</u>	<u>Place of Birth</u>	<u>Father's Name</u>	<u>Mother's Name</u>
